DIRECTOR'S OFFICE

JUL 7 2008

JUL 02 2008

Dr. Bruce L. Chrisman  
Chief Operating Officer  
Fermilab  
P. O. Box 500  
Batavia, Illinois 60510

Dear Dr. Chrisman:

SUBJECT: IMPLEMENTATION OF DEPARTMENT OF ENERGY (DOE) ORDERS, RULES,  
AND NOTICES UNDER CONTRACT NUMBER DE-AC02-07CH11359 WITH FERMI  
RESEARCH ALLIANCE, LLC (FRA)

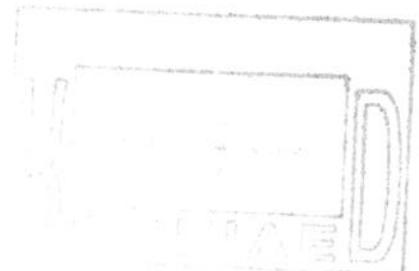

Listed below is a revision to Appendix I, List B, for review and comment prior to implementing action under the contract with FRA for the operation of Fermilab.

### ADDITION TO THE LIST

DOE ORDER 420.2B          Safety of Accelerator Facilities

The addition of DOE Order 420.2B to the Fermilab Work Smart Standards Set provides a formal acknowledgement of the programs that Fermilab has put in place and the leadership role Fermilab has undertaken among the Office of Science accelerator facilities. Please consider DOE Guide 420.2-1 an aid to understanding the requirements of DOE Order 420.2B. The Guide does not impose requirements beyond those stated in the Order, but serves as a useful tool to assist in implementation of the Order.

If there are no objections, please sign the acknowledgment below by July 18, 2008. Be advised that after we receive the signed acknowledgment of receipt and acceptance, it will become an addendum to Appendix I of the subject contract. An updated Appendix I will be issued periodically to incorporate all new additions and deletions. Clarifications identified in this letter will remain as file documentation to indicate we have reviewed current changes.
