

# Joe Mohr's Status on Preparations for the Feb 20 review of DESDM project

- Draft agenda circulated to the committee on Wednesday... awaiting feedback and will then circulate final agenda on Monday
  - 10AM-5PM at NCSA in Urbana, Illinois. Video will be available.
  - Series of presentations
- Review committee:
  - Randy Butler (NCSA), Dick Crutcher (NCSA), Gabriele Garziolo (FNAL), Jim Myers (NCSA), Ed Temple (FNAL, video) and Bryan Yannie (FNAL)
    - Don Petravick (FNAL) had a conflict and contacted Gabriele to stand in for him
    - Jay Alameda (NCSA) has conflict in DC
- PEP document being prepared according to Ed Temple's guidance. Cristina is putting together draft due today. I will iterate on it. It will be made available to the committee on Tuesday, February 13.
- I am updating DESDM Requirements document to reflect changes in the scope of the project. I will iterate with Cristina on this and provide this also to the committee.

Contact made with Yannie and Petravick... both accepted, but Don has had to find a replacement because of another commitment.
