

Instructions for Connecting to DES Working Group Meetings from Offsite

Video Connection

Dial 88337 (88DES) at 384kps

Audio Connection

Call 510-883-7860 then enter the Ad-hoc number 88337# (88DES#)

ISDN Connection from DOE

1. Dial 15108837860 using ISDN at 384kps speed (there may have a prefix for dialing long distance from Germantown)
2. When your video system connects you will see a blue screen, be patient and after ~7 seconds you will hear music and a voice announcement.
3. Press the # key on your video conference remote controller which will bring up a DTMF pad (or mini remote icon) in the upper right hand corner
4. Enter the Ad-Hoc number assigned for your meeting - 88337# (88DES#).
