DRIVING FROM O'HARE AIRPORT TO FERMILAB:

Fermilab is about 30 miles due west of the Chicago downtown area and 30 miles from O'Hare International Airport. Driving time from these points are approximately 60 and 50 minutes, respectively, depending on the time of day (it could take much longer in heavy traffic).

***** ROAD CLOSED – MAY 9-22, 2006 *****

The recommended driving route from O'Hare to Fermilab is as follows: Take the airport exit marked "To City". Travel about 1.5 miles to Interstate 294, Tollway South (toward Indiana). Travel about 8.5 miles to the East-West Tollway (I-88) "To Aurora/West Suburbs". Proceed on I-88 about 24 miles west to the Farnsworth (North) Exit. Go north on Farnsworth approximately 2-3 miles to the Fermilab entrance at Pine Street (traffic light). Proceed to the 2nd guard station. Note: Farnsworth Ave. becomes Kirk Road after it crosses Butterfield Rd (Rte 56).

NOTE: Lisle Hilton Inn, 3003 Corporate West Drive 630-505-0900/800-552-2599

DRIVING FROM O'HARE AIRPORT TO HILTON INN - Lisle/Naperville:

Follow O'Hare driving directions, but get off I-88 on Naperville Road exit. You should see the Hilton Inn from the tollway. The exit will bring you to the traffic light at Naperville Road. Turn north (left turn) at that light and continue a short way to the light at Warrenville Road. Turn east (right turn) on Warrenville Road and proceed a short way to the entrance of Hilton Inn. It will be on your right.

***** ROAD CLOSED – MAY 9-22, 2006 *****

The East Gate to Fermilab is closed due to road construction on Batavia Road.

DRIVING FROM HILTON INN TO FERMILAB:

After leaving the hotel, turn left onto Warrenville Road and proceed west. Stay on Warrenville Road (it veers and turns right at the traffic light intersection of Mill Street). Keep on Warrenville Road until you get to Butterfield Rd. (Rte. 56). Turn left on Butterfield Rd. Drive west across Rte 59 about 4-6 miles until you get to Farnsworth/Kirk Road. Turn right (north) on Kirk Rd and drive approximately 2-3 miles to the Fermilab entrance at Pine Street (traffic light). Proceed to the 2nd guard station.
