

Particle Physics at Discovery's Horizon

US LHC Participating Institutions

More than 1,700 scientists, students and technicians from 94 US institutions participate in the LHC. These institutions include universities and national laboratories from 31 states and Puerto Rico.

Arizona	University of Arizona	ATLAS
California	California Institute of Technology	CMS
	California Polytechnic State University	ALICE
	California State University, Fresno	ATLAS
	Lawrence Berkeley National Laboratory/University of California, Berkeley	ALICE, ATLAS, LHC
	Lawrence Livermore National Laboratory	ALICE, CMS
	Stanford Linear Accelerator Center	ATLAS, LHC
