Want to learn to waltz? Want to learn a few new moves to spice up your waltzing? Join Jeanette Watts at Fermilab for a

Full-Day Waltz Workshop and Evening Waltz Party

Saturday, October 22, 2011 Kuhn Village Barn

near the East (Warrenville) entrance, just north of Batavia Road on Sauk Blvd.

Fermílab, Batavía, IL

Workshops: 10 a.m. - noon, 1 - 3 p.m., 3 - 5 p.m. Party: 7:30 p.m. to 10:30 p.m

No Waltz Experience Needed

No Need to Come With a Partner

Jeanette Watts, nationally-known dance instructor, author of the upcoming book "The Mechanics of Waltzing," and generally fun person to take classes from, is coming to the Chicago area. Whether you've been wanting to learn the hot new cross-step waltz that is sweeping the waltz societies around the country, or wanting to learn to waltz at all, or wanting to learn some other variations to vary your personal repertoire, Ms. Watts and her husband will be enlightening as well as entertaining.

Workshop #1 - Beginning Cross Step Waltz 10 am.

Learn the basic steps and a few simple moves. It doesn't matter if you've never danced before, or if you've never seen cross-step before, by the end of class you'll be gliding around the floor like a swan.

Workshop #2 ~ Intermediate Cross Step Waltz 1 p.m.

If you already know the basics, there's lots more to learn! Several combinations and new moves will add to your dance arsenal.

Workshop #3 ~ Mazurka Waltz 3 p.m.

A popular dance in the mid-1800s, Mazurka is playful, fun, and completely different than any other type of waltz. It has nothing whatsoever in common with cross step waltz - if you miss the other workshops, don't be afraid to jump into this one!

Cost: \$10 per Workshop and \$10 for the Party, or \$30 for the whole day and evening! For More Information, call 630-584-0825, email folkdance@fnal.gov or go to http://www.fnal.gov/orgs/folkdance/

Sponsored by Fermilab International Folk Dancing, Silk and Thistle Scottish Country Dancing, and Chicagoland English Country Dancing
