

Dear Boys and Girls at Gran Sasso,

We go to daycare at The Children's Center at Fermilab. Our moms and dads work at Fermilab. We have fun at school. We like to

- Visit my Dad's office—Paul
- Do cut-away projects—Andy
- Color pictures—Moody
- Play on the playground—Eric
- Ride bikes. I just learned two days ago.—Ellen
- Draw pictures—Alex
- Read books—David
- Go to the pool—Thomas
- Play in the sandbox—C.J.
- Play—Christopher
- Play outside—Nicholas
- Play outside—Ahona
- Go swimming—Gigi
- Play on the computer—Pauline
- Play with the trains—James

We are sending you some of our favorite art supplies so you can make projects of your own and some pictures we have made for you. We hope you have fun at your new school!

Love,

The children at The Children's Center at Fermilab
