<p>Medical Comments: On the way to entering Wilson Hall, employee tripped on a piece of heaved concrete pavement, halfway between parking lot and entrance doors. Stubbed left foot, falling to left knee and right, outstretched hand.</p> <p>ESH Comments: This case is first aid only. The area where the individual tripped has been marked with a cone indicating "uneven surface" since the start of winter. The area has now been painted to better indicate the difference in surface heights between the two slabs of concrete.</p>
