Medical Comments: While moving a pallet, the employee felt a sharp side pain extending to his back. The FNAL medical department prescribed medication and sent the employee off site for evaluation.

ESH Comments: The individual was moving a wooden pallet on the loading dock of Wilson Hall discovered during a daily walkthrough of the building. The individual reached to grab the pallet and proceeded to use a twisting motion to move the pallet off to one side. The individual felt a sharp twinge in his back and reported to the Fermilab Medical Department for evaluation. He was given two prescriptions for medications and sent off site for evaluation. He was given restrictions as result of his injury; however the restrictions do not affect his ability to complete his job. This case is recordable only due to the prescription medication.
