After sitting at his desk for some time he noticed some stiffness and aching. Sent to Tyler Medical for xray of left knee.

**ESH Comments:** The employee was walking down a flight of stairs in the North Transfer Gallery when the incident occurred. The employee was not carrying anything in his hands. It was raining and some water had been tracked indoors onto the steps. As the employee reached the last step in the stairwell he slipped and fell; both knees hit the floor at the bottom of the stairs. The employee had pain and stiffness in his knees following the fall and reported to the onsite Medical Department for an evaluation. He was diagnosed with a left knee contusion and received first aid treatment. The employee was sent off-site for x-rays as a precaution; the x-rays were negative.
