

Scheduling Meeting of April 21, 2009

Earth Day

(A celebration reminder)

Get outside for Earth Day! Join the longstanding Fermilab tradition of planting native trees to help reconnect our forest areas. This year's tree planting, hosted by Road & Grounds, will take place on April 30th starting at 11:30am near B road and Wilson Street. If you can't make it out for Earth Day, there are other earth-friendly volunteer events that take place throughout the year. For more information about the volunteer tree planting and other activities see:
