Number and rate of TRC and DART cases by FY - Includes Employees & subcontractors

	FY06	Rate	FY07	Rate	FY08	Rate	FY09	Rate	FY10	Rate	Goal	Rate

DART Cases	7	0.3	12	0.6	3	0.16	12	0.64	0	0.00	<5	0.25

** Two cases have been reclassified since the last meeting. One TRC was the result of a previous injury and therefore tied back to that case number. One DART was moved back into claim pending until the investigation is complete.*

TRC = Total Recordable Case means more than first aid treatment was given.

DART = Days Away Restricted Transferred means more than first aid treatment was given AND restrictions were job limiting or the employee could not work.
